Program

Join us for our monthly potluck and program! In this instance, on the second Friday! Bring a dish to pass if you are able. We'll provide beverages and table service. Following dinner we'll take a wild edibles hike on Wagbo's scenic 212 acre property. Learn how to identify these wild goodies and leave with simple recipes to make at home. These spring ephemerals don't last long, so let's enjoy them while they're here! Come rain or shine.
